

Corrosion Chemistry

Faraday Discussion

13-15 April 2015
London, UK

<http://rsc.li/corrosion-fd2015>

Themes

Solid/fluid interface

Corrosion scales and passive films

Localised corrosion

Corrosion control

Speakers

Hendrik Bluhm

Lawrence Berkeley National Laboratory

Gerald Frankel

Ohio State University

Hiroki Habazaki

Hokkaido University

Anton Kokalj

Jožef Stefan Institute

Vincent Maurice

L'École Nationale Supérieure de
Chimie de Paris

Angelos Michaelides

University College London

Roger C. Newman

University of Toronto

John R. Scully

University of Virginia

David W. Shoesmith

University of Western Ontario

Mira Todorova

Max-Planck-Institut für Eisenforschung

Key deadlines

Oral abstract submission

14 July 2014

Poster abstract submission

9 February 2015

Early bird registration

23 February 2015

Standard registration

16 March 2015
